**MICHAEL MARCHESCHI**  
PRIMARY EXAMINER

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 8/16/04 has been entered.

The following is an examiner's statement of reasons for allowance:

The claimed invention is novel over the cited references because said references **fail** to teach or suggest the claimed composition and uses thereof, wherein the composition comprises the claimed specific components and has the claimed specific viscosity. As can be seen from throughout the specification, specifically on page 4, lines 5+ and the examples, criticality is shown for the claimed specified viscosity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A Marcheschi whose telephone number is (571) 272-1374. The examiner can normally be reached on M-F (8:00-5:30) First Friday Off.
